HOUSE MANUAL

The house sits on an acre of land. The groundskeeper (the host) lives in a separate private apartment elsewhere in the building, with its own entrance — guests have full, private use of the main house.

- Quiet hours: 9:00 PM – 9:00 AM.
- Park only on-site in the designated diagonal spaces — no parking in the cul-de-sac.
- No smoking of any kind inside the house (high fire danger in summer). If smoking, use the patio or driveway, and don't bring butts inside.
- Lock the front and back doors when leaving — keep the house secure.
- Please clean up after yourself.
- Call the host with any questions or concerns.

CHECKOUT PROCEDURES

- If you've used a lot of dishes, load and start the dishwasher on its longest cycle.
- Take all trash and recycling out to the containers in the carport.
- Have a safe journey home.

HOUSE RULES

- Self check-in with keypad
- 6 guests maximum
- No pets

Door keypad code and WiFi password are sent directly by the host — not published here. Message or call the host with any check-in questions.

Confirmation code and payment details omitted from this summary. Manage the reservation directly in the Airbnb app.
